Protect your takings with

CASH GUARD

Cash Guard is the simple answer to protect the cash in your cash register drawer. It is a see-through guard which permanently obstructs the opportunist thief from 'cash grabbing'. It is simple to install, has no running costs and is inexpensive to purchase.

- * Inexpensive
- * Strong steel and transparent "Vivak" polyester construction
- * Simple to install
- * No running costs
- * Fits most makes and models of cash registers
- * Can be secured to counter
